Our Vision

"Our vision is to be the leading hardscape maintenance company, recognized for our exceptional quality, reliability, and customer satisfaction. We strive to enhance the beauty and functionality of outdoor spaces through our expert Landscape & Hardscape maintenance & implementation services."

Service Offered

Our company offers a wide range of services, including:

- **Hardscape .**
- **Landscape .**
- **Asphalt .**
- **Stadiums.**
- Consultancy .**

Hardscape

Cleaning: Regular cleaning of hardscape surfaces is crucial to remove dirt, debris, and stains.

Sealing: Applying a sealant to hardscape surfaces can protect them from moisture, stains, and fading caused by UV rays.

Repairing: Cracks, chips, and other damages should be promptly repaired to prevent further deterioration.

Landscape

Mowing and Lawn Care:

-Weeding and fertilization of the grass were conducted to promote healthy growth.

Irrigation System:

Repairs and replacements of faulty sprinklers or pipes were undertaken promptly.

Plant Maintenance:

-Removal of dead or diseased plants was performed to maintain a visually appealing landscape.

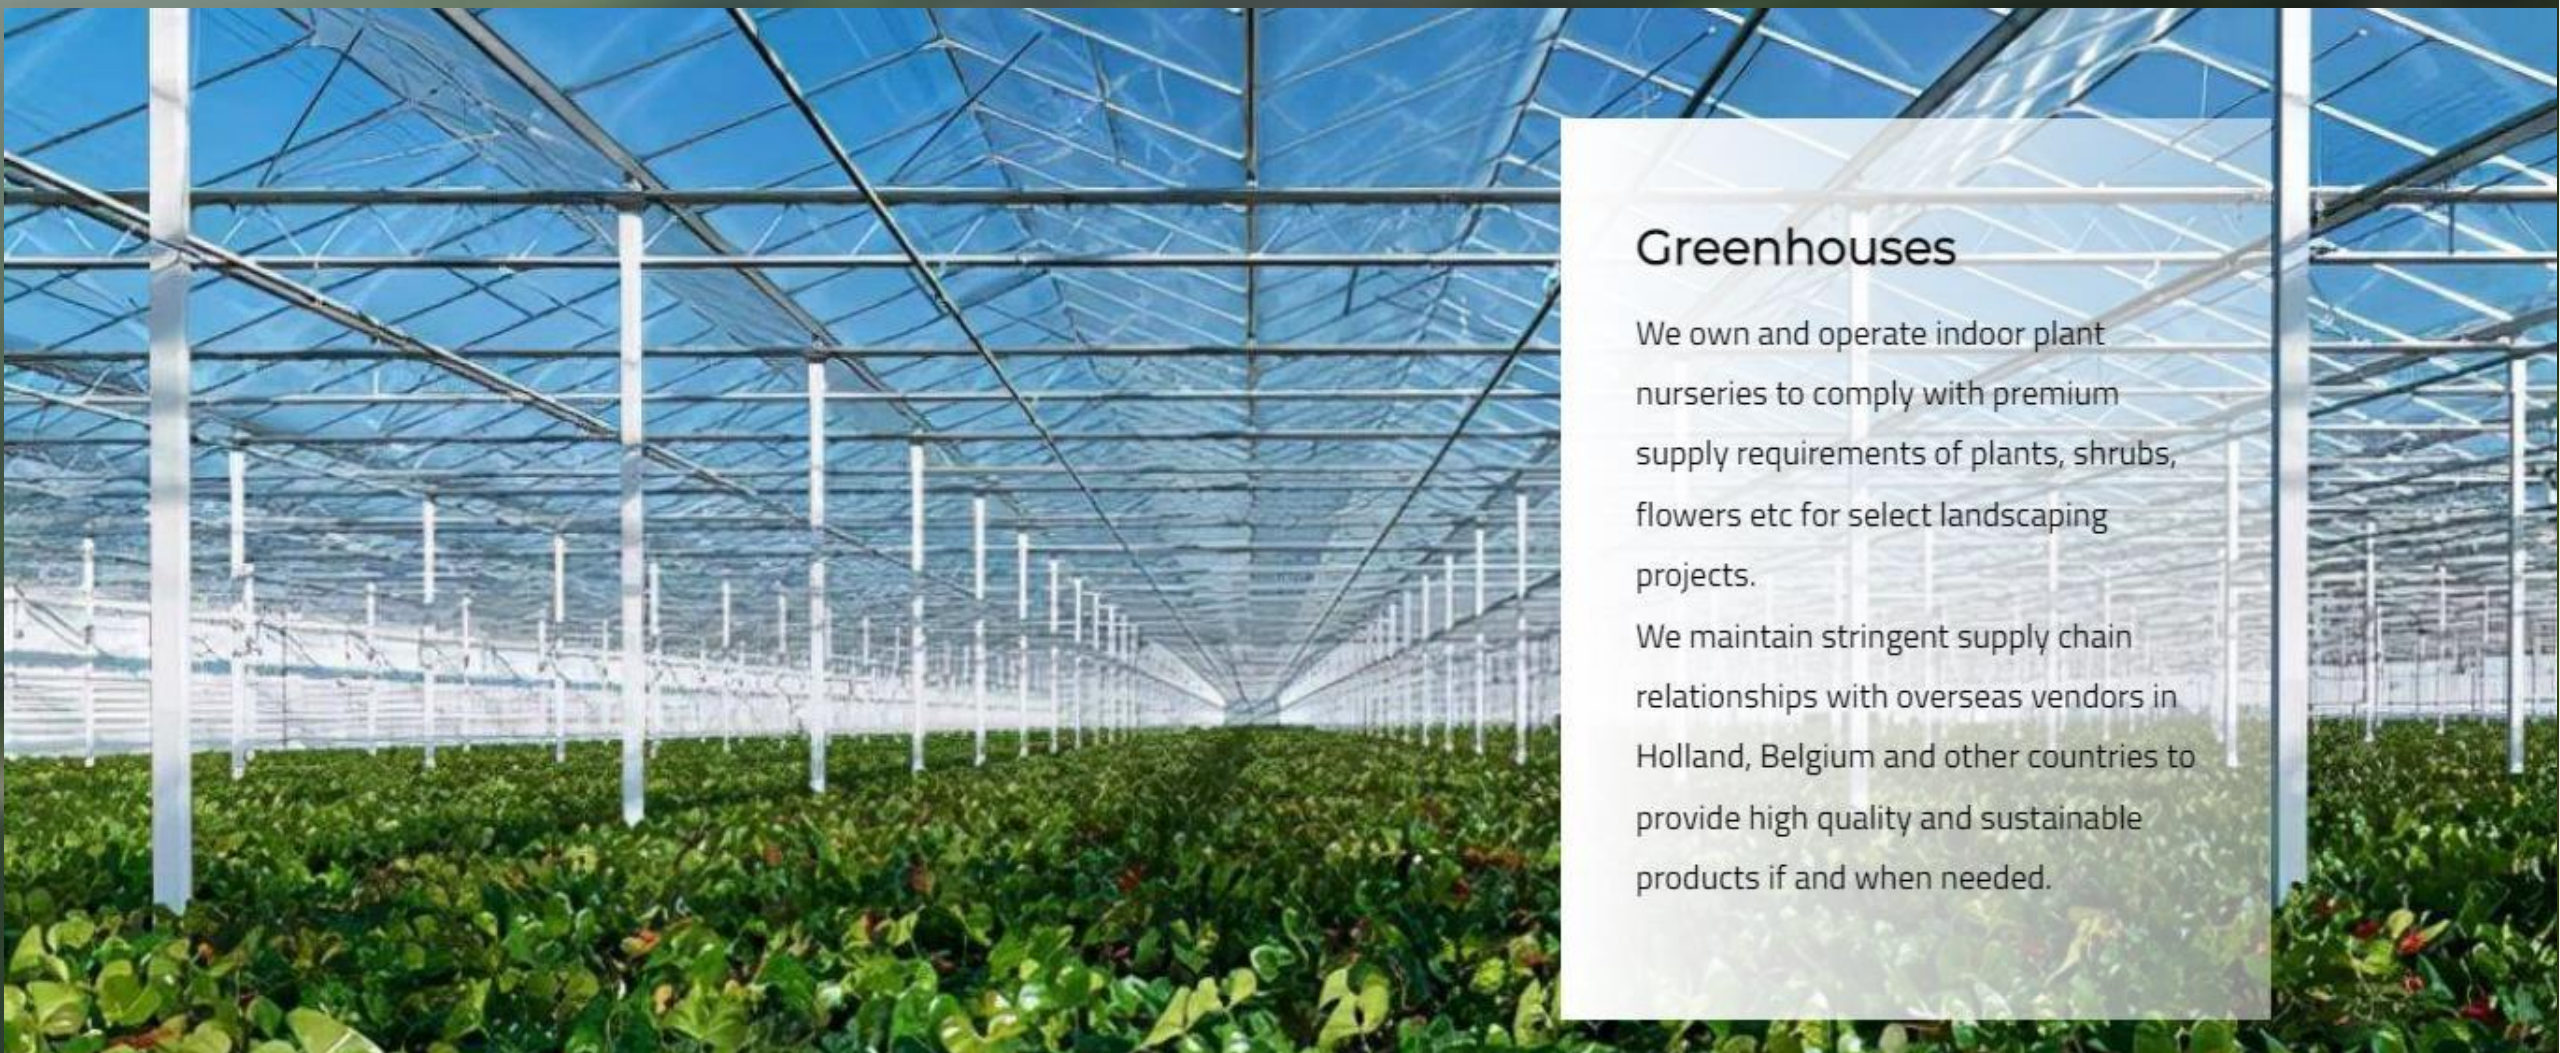

Asphalt Maintenance

-Crack Sealing: Cracks in the asphalt were identified and sealed using a high-quality crack sealant..

-Preventive Maintenance: Implement a preventive maintenance program that includes crack sealing, sealcoating, and timely repairs to extend the lifespan of the asphalt surfaces.

Plant Maintenance:

Greenhouses

We own and operate indoor plant nurseries to comply with premium supply requirements of plants, shrubs, flowers etc for select landscaping projects.

We maintain stringent supply chain relationships with overseas vendors in Holland, Belgium and other countries to provide high quality and sustainable products if and when needed.

Consultancy

Company Overview Our engineering consultancy firm is a leading provider of specialized engineering solutions. We have a team of highly skilled and experienced engineers who are dedicated to delivering innovative and cost-effective solutions to our clients.

Expertise We specialize in various engineering disciplines, including , Hardscape, agriculture engineering, and electrical engineering. Our team has extensive knowledge and experience in these fields, allowing us to tackle complex engineering challenges with confidence.

Stadiums

-Seating: Inspect seating areas for loose or damaged seats, ensuring they are secure and comfortable for spectators.

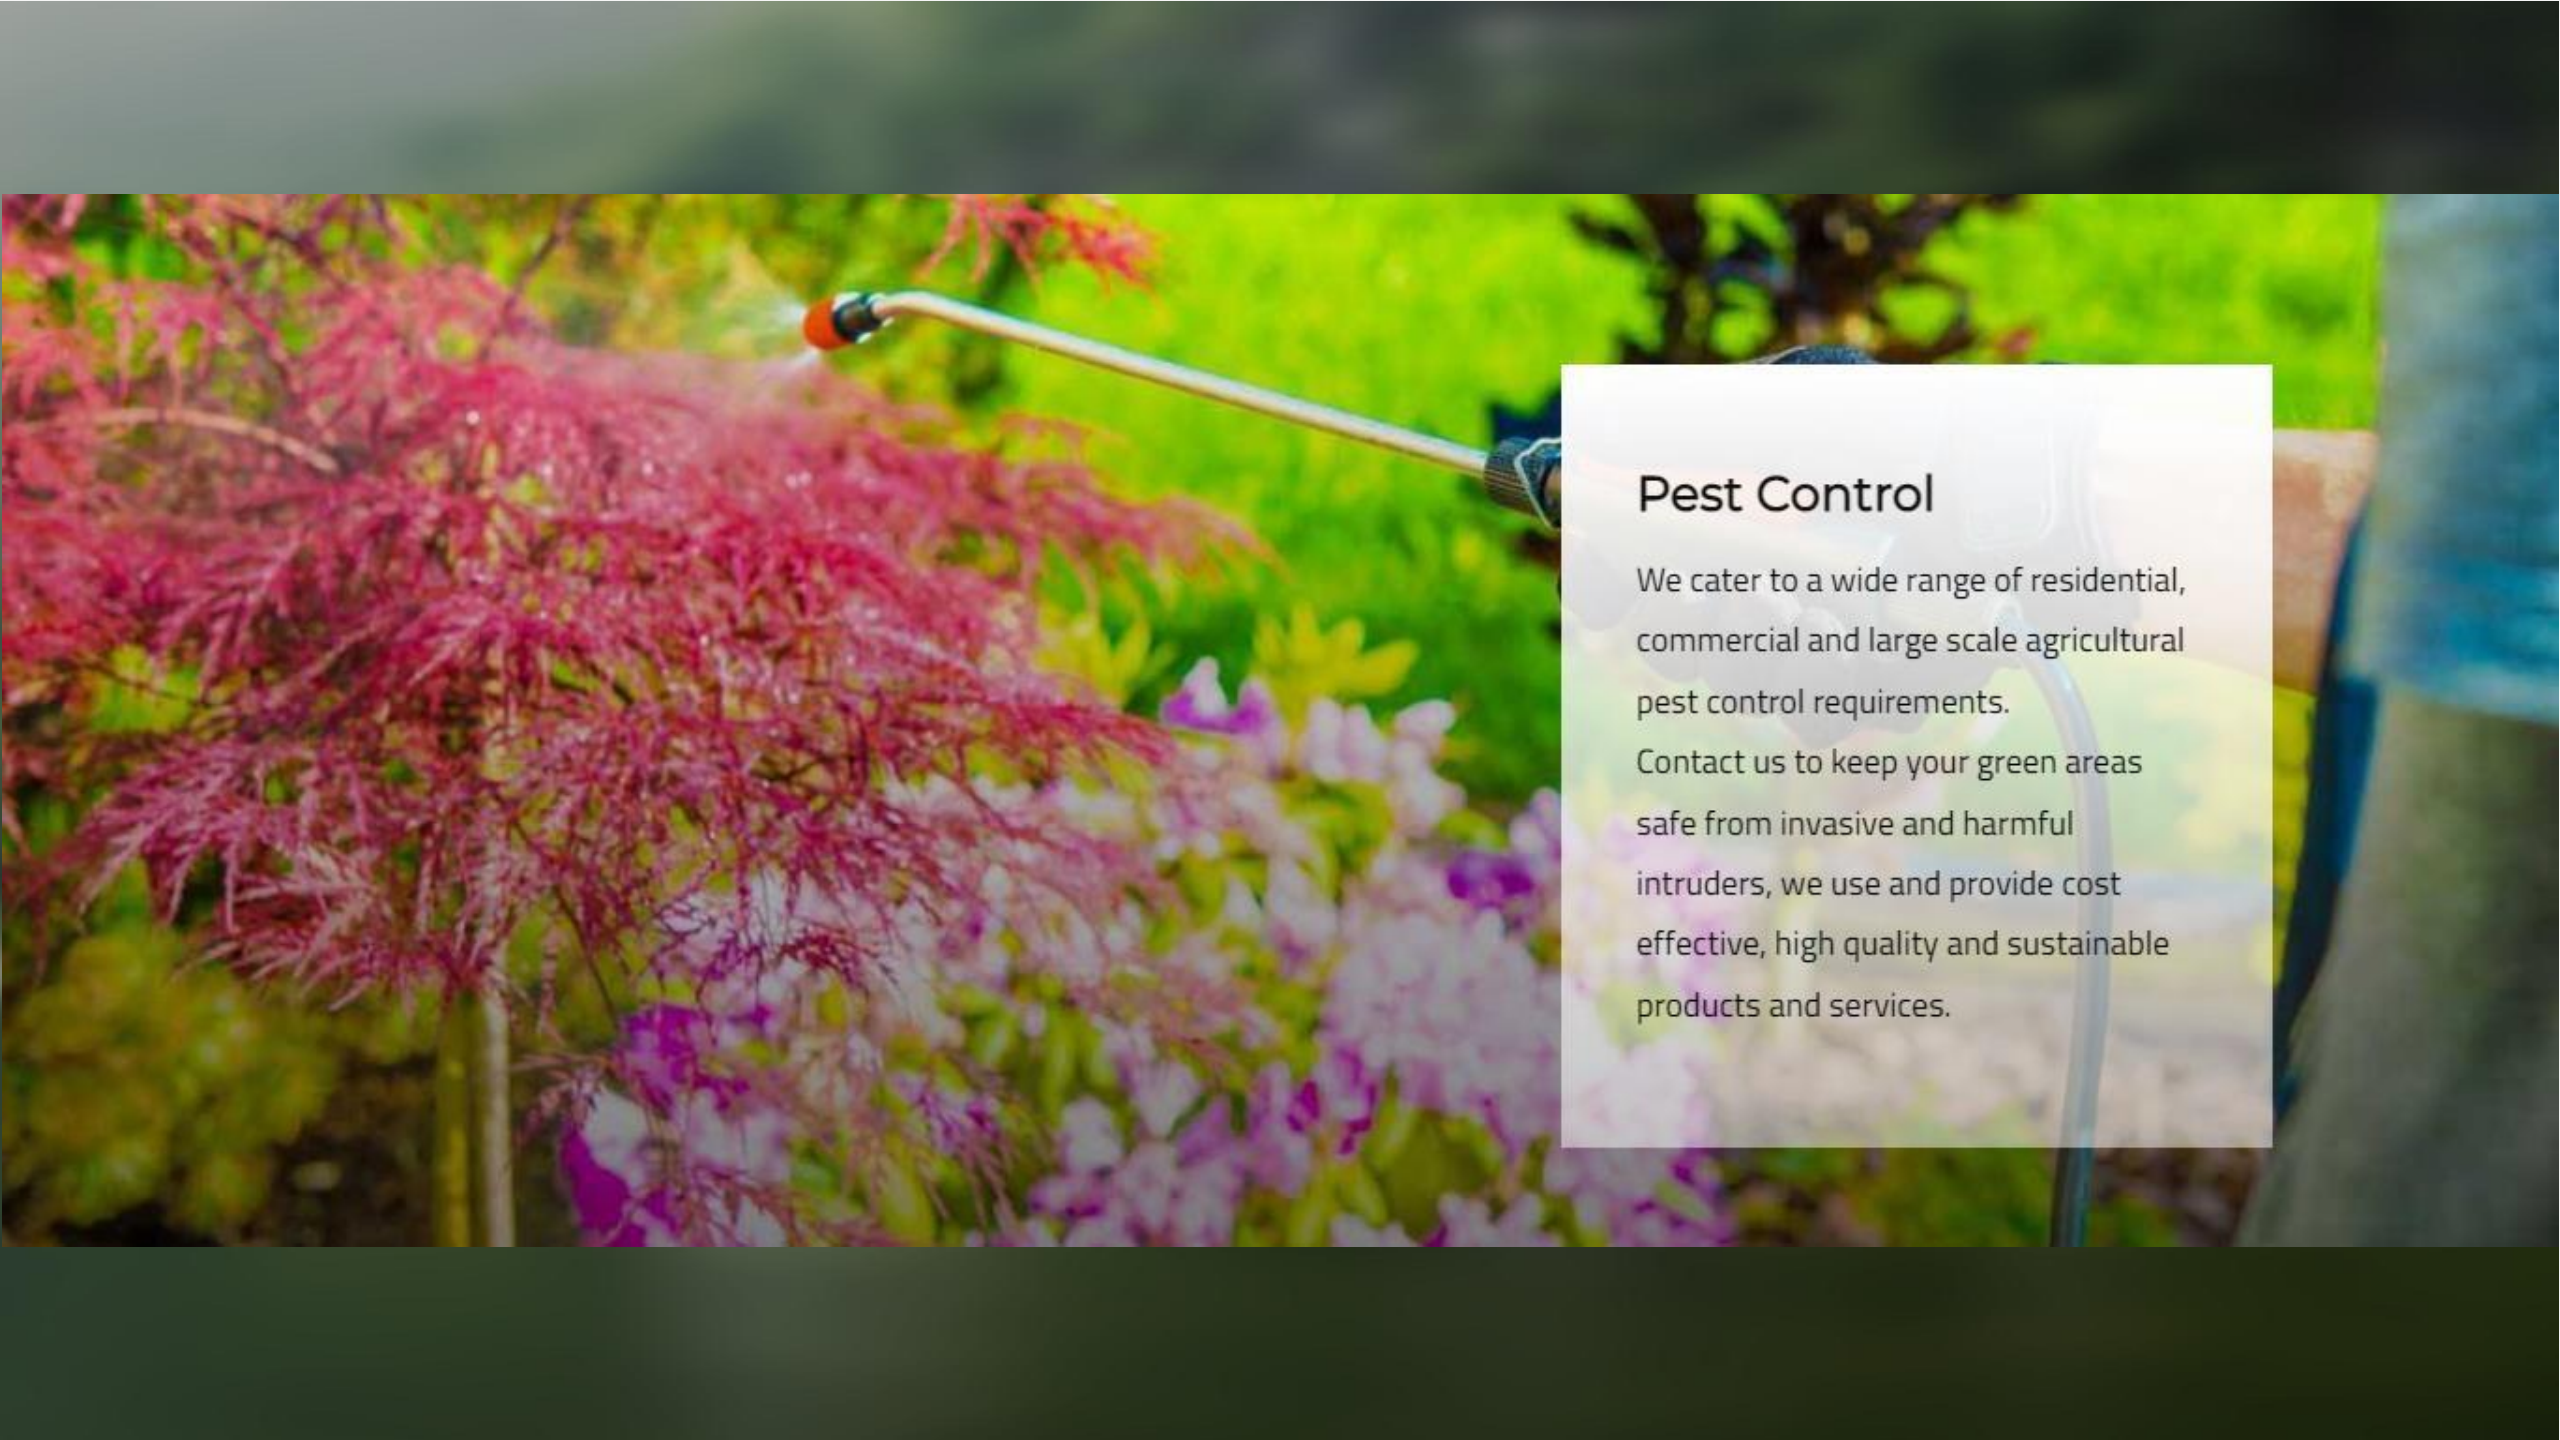

-Electrical Systems:

Inspect all electrical systems, including lighting, scoreboards, and sound systems, to ensure they are functioning properly and are up to code.
